## UEL W. LAMKIN PRESIDENT

•

His all is for the College, the students, and their education. The President is one of the foremost advocates of study now, as a foundation for the future. He personally symbolizes through the unfailing energy of accomplishment the true value of education. His is the hand which pulls the strings and clears the lines for a better, a co-ordinated, an influential school.

## BOARD OF REGENTS

Pulling for the College and rejoicing at its success, the Board of Regents, appointed by the Governor of the state, gives ever vigilant background supervision to school affairs. They cannot meet very often now, but their suggestions are carried out by the President of the College.

E. C. Curfman, Maryville, Mo.; R. L. Douglas, St. Joseph, Mo.; Edmond McWilliams, Plattsburg, Mo.; M. E. Morris, Trenton, Mo.; Roy Scantlin, State Supt. of Schools, Jefferson City, Mo.  
Not shown: James Curry, Oregon, Mo., and Alan Wherrit, Liberty, Mo.

## J. W. JONES DEAN OF FACULTY

•

A smile and an encouraging remark from Dean Jones have helped many a student with curriculum and other problems. In wartime spirit he has also taken over the job of Registrar, which entails all the scholastic data of the institution. First among his desires is doing his job; secondly come his garden, his camera, and his dog.

## PERSONNEL DIRECTORS

Mom and Dad just can't follow Mary or Johnny to college and most assuredly the kids can't leave their problems behind. Thus, such questions as a place to live, a job, social diversion, and a distribution of books and fun fall to the competent hands of the Personnel Directors for solution.

## ADMINISTRATIVE OFFICERS

Food without salt or a college without administrative officers, either would be utterly hopeless. What do you do when the sneezes begin—run to the doctor. What's the procedure when the reference book's in demand—the library, of course. Where do you turn for a party—to the office of personnel. What's the remedy for a craving thirst—the book store. Who is to publicize your school and your friends—the director of publicity. Yes, they are a willing group, personally interested in helping you flavor your busy college days.

## SECRETARIES

Teachers and Administrators are not the only contributing factors in the success of college activities, for many of them have secretaries, those efficient people who type letters, answer questions, and generally keep things in order.

## ROOM TEACHERS

To the room teacher goes the task of allaying the apprehensions of the student teacher, and helping him build confidence and competence. Besides supervision she must also teach classes in her room, making her purpose two-fold; that of training prospective teachers, and that of teaching her pupils.

**In Memoriam**

### **HUBERT T. GARRETT**

In memory of Hubert T. Garrett, who so faithfully served his college in past years.

Mr. Garrett, a member of the Social Science department, and head of the Office of Recommendations, served on the college faculty from 1930 to 1943. He took his work in the field of the Social Sciences seriously, believing it his duty to make better citizens of the young people in his classes.

Mr. Garrett was a man with broad civic interests. He will be remembered for his active participation in local as well as school events.

### **MERTON W. WILSON**

In memory of Merton W. Wilson, who so faithfully served this college for twenty-nine years.

Mr. Wilson, head of the Chemistry department, was a member of the faculty from 1914 to 1943. He was a man who held scholarship in high esteem and who always encouraged his students to go forward in their education.

Mr. Wilson was a very popular man on the campus. He was sponsor of the Junior class, and took an active interest in the athletic program. He will always be remembered for his lively spirit and desire to serve the student body.

## L.T. RALPH K. BROWN

Keeping 400 men (sailors at that) corralled is no easy task—so you will have to hand it to the "captain," for he has certainly done a fine job as Commanding Officer of this Navy V-12 unit.

The C. O. is known by everyone on the campus—civilian and sailor alike. His jovial way and willingness to help make him a favorite personality at M. S. T. C.

## NAVY PERSONNEL

Every ship must have a ship's company—the S. S. Maryville is no exception.

What V-12 A/S hasn't taken P. T. under Lieut. Faggetti?—or waited impatiently for the first of the month for that paycheck from Ensign Gorman?—or watched with crossed fingers the restricted list posted by Lieut. Nystrom?—or gone up to sick bay to see Lieut. Comdr. Reuter about that sore thumb?

Aboard the S. S. Maryville the C. P. O.'s instruct P. T., and they are the ones we see at noon muster inspecting, and giving out orders and demerits. The rest of the ship's company, yoemen, storekeepers, and pharmacist mates, are all necessary to keep the ship operating smoothly.

# OFFICIAL COMMUNIQUE

On July 1, 1943, total war, with a capital T hit us, and part of the largest navy in the world, the good old U. S. Navy, moved in on its objective—namely Northwest Missouri State Teachers College . . . After a few minor skirmishes the college became a naval shore station. Decks, ladders, and portholes were surrounding us. Food was now Chow. The flag was not lowered perfunctorily by a janitor at 5:00, but by a squad of sailors in true naval style, and mind you, at 1700! Gossip was no longer dirt, chatter, or gore, it was scuttlebutt—and when even gossip is changed that IS revolutionary . . . After a very few weeks of Navy Blues we began to get accustomed to the sight of uniformed men, and we're all so used to the Navy by now that it is hard to imagine getting along without these sailors.

## STUDENT SENATE

The Student Senate, which is a representative group of students, is the governing association on the M. S. T. C. campus.

Among the varied activities performed by the group this year were the Ersatz Dance, which replaced the traditional Walk-Out Day; the care and improvement of the Bearcat Den; supervision of the sale of Christmas Seals and War Bonds; appointment of the Social and Assembly committees, and the Cheerleaders. The Senate sponsored the publication of the Student Handbook, and was responsible for cleaning the textbooks to be sent to war prisoners. A temporary memorial to alumni killed in action has been placed in the Bearcat Den until a permanent monument can be erected.

The Senators are elected from each class. A Junior or Senior having served three terms in the Senate is presented with a Senate Key. Those receiving the key this year are: J. Dougan, M. Alexander, J. Morris, E. A. Davis, C. Parks, B. Townsend, and M. R. Gram.

## **VARSITY VILLAGERS COUNCIL**

The Varsity Villagers Association is a social organization for all the girls who live off the campus, which includes all the girls now. The council, which is composed of the Varsity Villagers officers and the presidents of approved houses, serves as a governing body and helps plan all social events.

The plan is to have at least one social event each month. Some of the main events this year have been: Treasure hunt for the freshmen girls, theater party with entertainment in the Tivoli lounge afterwards, informal Christmas Dance with the Navy Dance Band furnishing the music, and the Penny Carnival given for the new Navy boys.

In addition to these social activities, the Varsity Villagers have served on the campus as ushers for major entertainments, guides for Senior Day, and assistants in all-school projects.

## TOWER STAFF

Time—Money—Film—and W-O-R-K—are all necessary for putting out a yearbook, and we were definitely short on all. But have a 1944 Tower we m-u-s-t! So with the decision made and the big offensive started, things began to work out. First came priority on films, workers rallied to the call and began to produce. But there was that money element that proved to be very stubborn (what with the scarcity of rubber, it didn't seem to stretch very well). But by cutting down here and grouping there, we finally found ourselves with a Tower ready for publication. Here it is—we have done our best.

We owe a great deal of the success of this publication of the Tower to our sponsor, Miss Truex, whose unceasing helpfulness was so graciously given.

# NORTHWEST MISSOURIAN STAFF

ESTHER MILLER

Playing hunches and trailing sources the Northwest Missourian staff has again scooped the campus news. Editor Esther Miller has capably led her squad in a thorough covering of important events.

A feminine staff, with the exception of the V-12 sports writer, they have never been accused of "petticoat scruples."

Of special note is the effort which has been made in the Armed Services Column to follow the students who have attended college here. Several men have written back to say that they had located their former buddies through the Missourian.

For the past year the dates of publication have been twice monthly instead of weekly, on account of the paper and manpower shortage.

Again the armed forces have made a big difference in the membership of this fraternity. New sailors have come "aboard," old sailors have gone "on leave," and a few civilians have stuck with us throughout the year. Social events such as smokers, informal dances, parties in the Bearcats' Den, and the Greek-Letter formal, have been the main functions this year. However, the main event of the year was the formal dinner dance at the Country Club in February.

New honorary members initiated this year were Lieutenant Ralph K. Brown, and Lieutenant Clarence Nystrom.

Theta Chapter of this fraternity was established on this campus in 1927, and is one of the oldest national social professional teachers college fraternities. The objectives are social enrichment, extensive participation in extra-curricular activities, leadership, and fellowship among members.

The Tau's were handicapped very much in the fall by having only four old members return and, the chapter room being needed by the Navy. However, the Navy sent some fine fellows here and the Tau's wish to express their appreciation to the Student Senate for use of the Bearcat Den as a meeting place.

Social events consisted of smokers, a dinner, Greek-Letter formal, initiation, and fun.

All aboard! Plane leaving for England, Russia, and China. Tri-Sigma opened her rush season by taking a tour through the allied nations. Picnics, movies, dances, and a lot of fun have been hers! Mrs. Emma Teichgraeber, national inspector, visited us, and the pledges entertained by giving a lovely tea in her honor. The major social event was our spring formal—it was the climax to a very successful year!

Our national social service project for the year was contributing to the museum in an Argentine school. We contributed a box containing interesting articles and pictures from Missouri, and were the first chapter to write a letter to this school. We also gave aid to the local nursery school and rolled bandages one night each month in the Red Cross room.

Yes, it did happen to us. The Phi Chapter of Alpha Sigma Alpha started the year off with a bang—by moving into our beautiful new sorority home on west Seventh.

Our outstanding social activities of this year have varied from theater parties to teas, from formal dances to informal gatherings at the house.

Our "Prexy" was sent to McComb, Illinois, for the installation of a new A. S. A. chapter.

Members of whom we are proud are Melba Seitz, Sue Moore, Bette Townsend, and Emma Ruth Kendall for being in Who's Who; Mary Bruce, Football Queen; and Clem Shively, Bond Queen.

We are indebted to our swell house mother, Mrs. Moore, and to our sponsor, Miss Lewis, for guiding us through a successful year.

Kappa Omicron Phi is the professional home economics fraternity.

This year the activities have been centered around South American themes. The fraternity members have become acquainted with their customs, occupations, food fancies, architecture, and the future role of Home Economics in those countries.

To become an active member it is necessary to have completed a minor in home economics, and to be in the upper twenty per cent of the Home Economics students with grades in all subjects.

Among its many activities, rush parties, the annual Founder's Day Banquet, serving for the Christmas Ball, and several open house parties for Navy men, added to the zest and fun of the year.

The Association for Childhood Education, familiarly known as the A. C. E., is a student branch of a great international organization which has as its chief purpose and interest the guidance and education of young children—nursery, kindergarten, and primary. Young women who are preparing themselves for teaching in this field are invited to become members.

Miss Chloe E. Millikan, Director of Early Childhood Education, is the sponsor. Meetings are held on the second and fourth Mondays of each month.

The year opened with a tea for prospective members early in September. The pledging and initiation party, the Christmas party, the Valentine party, and the May breakfast are social events which are still on the calendar. The other meetings are of a professional nature. The community service project this past year was a continuance of our support of the city day nursery.

"Yea! Maryville," shout the Barkatze. After twelve years of having a membership of about twenty boys and twenty girls, the organization, due to lack of civilian manpower, changed its constitution for the duration. Now it is an all female group that you see wearing the traditional green jackets and white culottes, supporting their team so enthusiastically. Their group spirit helped them in putting on several successful stunts and two well-attended chili suppers. They are looking forward to another year with their sponsors, Miss Wincie Ann Carruth, and Mr. W. W. Cook.

The Green and White Peppers, a women's organization, was organized during the fall of 1927. The purpose of the club is to encourage the athletic teams, to promote good sportsmanship, and to contribute to the entertainment of the public at athletic events. New members are selected by a unanimous vote of the Peppers.

The Peppers in their green and white uniforms have been present at every game to spur the Bearcats on to victory. They are girls who have plenty of vim, vigor, and vitality. In addition to their loyal support they have put on stunts between halves at several games.

**FIRST ROW:** M. L. Taul, E. Fox, T. Erickson, president; D. E. Masters, Miss Bonnie Magill, sponsor; F. Moffitt.

## **WOMEN'S ATHLETIC ASSOCIATION**

The Women's Athletic Association was organized in 1925 for the purpose of promoting school spirit, loyalty and teamwork. Any woman in the college maintaining an "M" average in all school work, and who has earned seventy-five points in the Women's Athletic Department of the college is eligible for membership. They must have a vital interest in the type of work in which the organization engages.

This year W. A. A. sponsored a basketball tournament during the winter semester and soft ball for girls during the spring semester. It also sponsors volleyball, hockey, and various other minor sports under the guidance of its sponsor, Miss Magill.

## THE "Y"

The Y. W. C. A. is one of the active organizations on the campus. The weekly Thursday night meetings have consisted of group discussions of current events and other topics of interest, and short worship services. Guest speakers were Reverend Jones of the First Methodist Church, Miss Frances Holliday of the Eugene Field School, and Dr. Dildine of the College.

In January the "Y," in co-operation with the Senate, sponsored a successful World Student Service Fund Drive, and in March helped in the Red Cross Drive.

The social side of the organization has not been neglected. On Thursday before Christmas vacation, we met at the Methodist Church for a chili supper, followed by caroling. We are looking forward to a slumber party in the "Y" hut this spring and the summer conference at Hollister.

## DANCE CLUB

An organization under the able direction of Miss Winicie Ann Carruth, whose purpose is three-fold: First, re-creation; second, self-expression through the dance; and third, a broader appreciation of the art of the dance.

This group combines entertainment for the public with its other activities. Climaxing the social program, a formal banquet is held each spring.

# MUSIC DEPARTMENT

The Music Department was limited this year because it had no boys. As usual, there was the Women's Chorus, Women's Ensemble, String Quartet, and String Ensemble. These groups were active all year and made several public appearances.

With the coming of the Navy, a marching band was organized which played at the football games and for Dress Inspection.

These and a few other instrumental groups and the Navy Quartet made up the Music Department, which helped with various campus activities.

## CHEERLEADERS

Are these faces familiar? If not they should be, for here are three people who attended every home game, football and basketball, rain or shine; who cheered the loudest and jumped the highest—all for the spirit of the game. When enthusiasm lagged and Bearcat points were a little weak, the cheerleaders were there to spur the team on to greater efforts; and when points were rolling in thick and fast, it was the cheerleaders again who led the happy throng in songs and yells.

They didn't forget the opposing team, either. Nearly every game there were fifteen rah's for someone besides Bearcats, and exceptionally fine plays by the opposing side were applauded.

Sportsmanship, pep, ability, and enthusiasm are just a few of the characteristics necessary to a good cheerleader, and we are proud to say that our leaders possess all of them.

Now, let's have three cheers for TEAM, a big Bearcat Locomotive, a couple of cartwheels from Ben, and—another goal, please!

## FOOTBALL QUEEN

Half time at the Homecoming game had been called. Green and White Peppers and Barkatze had performed their stunt and were waiting in place on the field, and the crowd was in suspense as a roadster bearing the football queen and her attendants drove on to the field. Not a hint as to her identity had escaped, so no one knew that Jay Dougan was to crown Mary Bruce as 1943-44 Queen of Football.

Candidates and their escorts took their places on a platform built on the field. Mary was crowned Queen and then presented with a football bearing the names of the members of the football team.

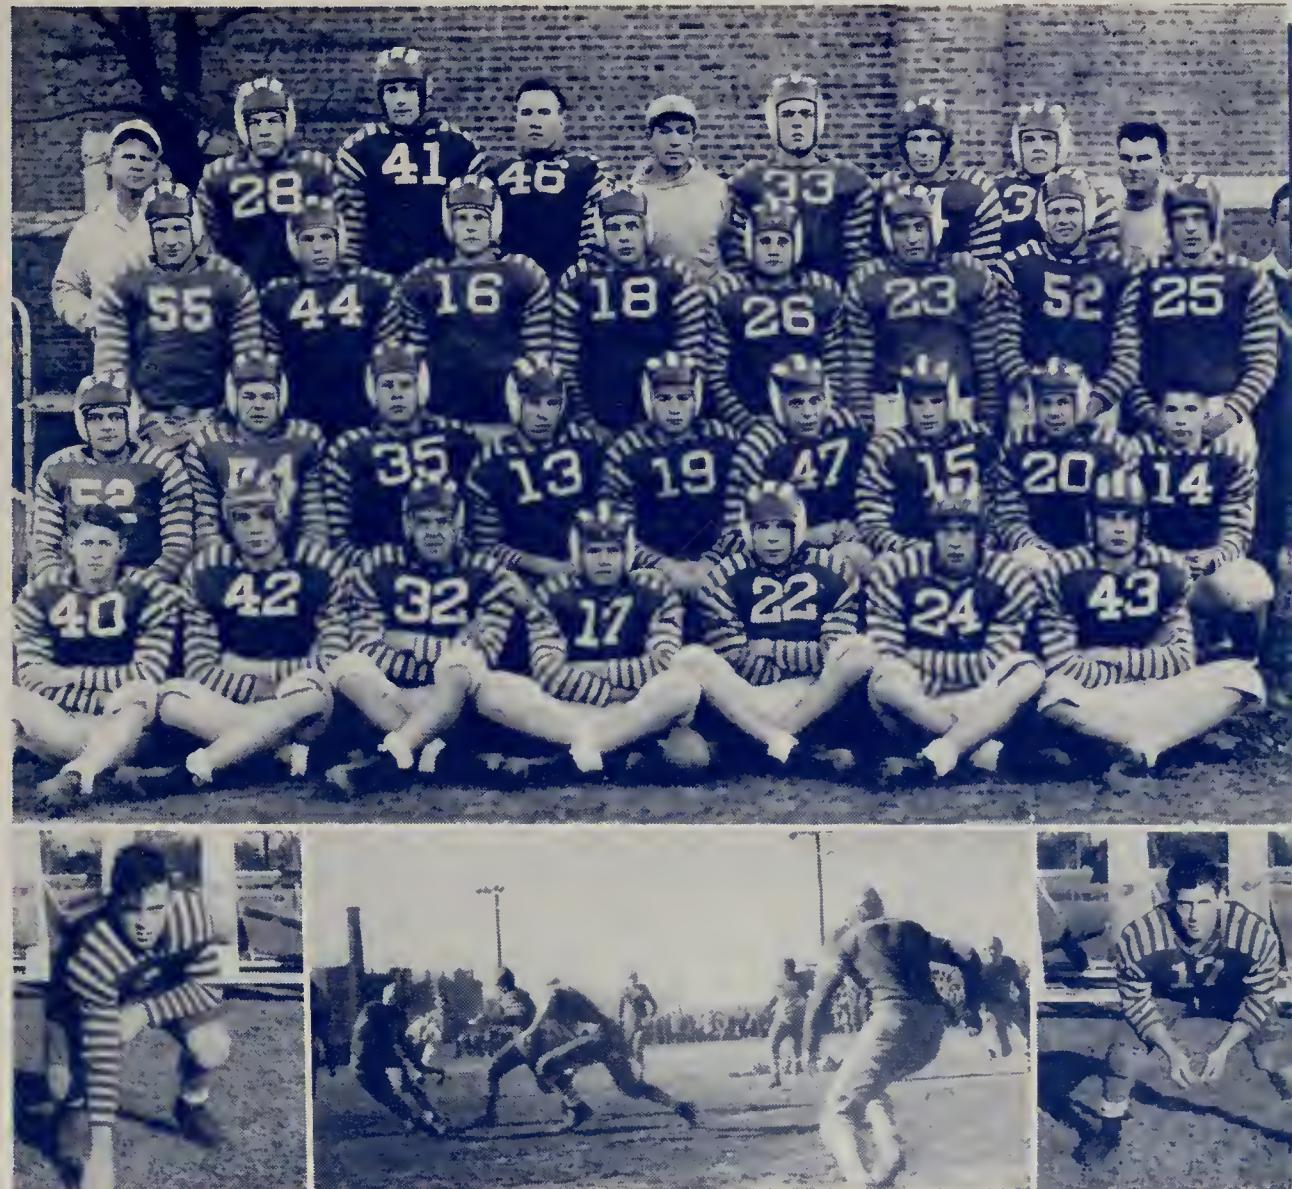

The Queen reigned over the Homecoming dance following the game.

## FOOTBALL

Starting the football season with only lettermen Dygert and Weidmaier, Coach "Taffy" Milner built up a hard hitting and high passing squad of Navy lads. They marched down the field for five wins, one tie, and one defeat.

The Bearcats opened the season at Rosecrans Field on September 18, against the Rosecrans Flyers, and Van Pelt's passes to Dygert clicked for a 6-0 win. Bringing the game to the home field on September 24, the Green and Whites trounced the Missouri Valley Vikings by a score of 14-0. Flashy Joe Flad showed his running power when he dashed 78 yards for a touchdown. Doane College delivered to Maryville, on October 1, its only defeat of the season, when their Dick Thompson aggressively squeezed through the Bearcat line for an 18-14 margin. On October 8, the Bearcats, on their home field, handed the Peru Bobcats a 25-7 defeat, and Behrens almost tied Flad's running feat when he made a 75-yard return. Clemmensen, Benedetti, and Guter showed their usual backing skill.

**FRONT ROW:** W. J. Waggoner, R. R. Hornyak, L. T. Young, S. A. Szabo, J. Corken, D. Patton, G. Fromknecht.

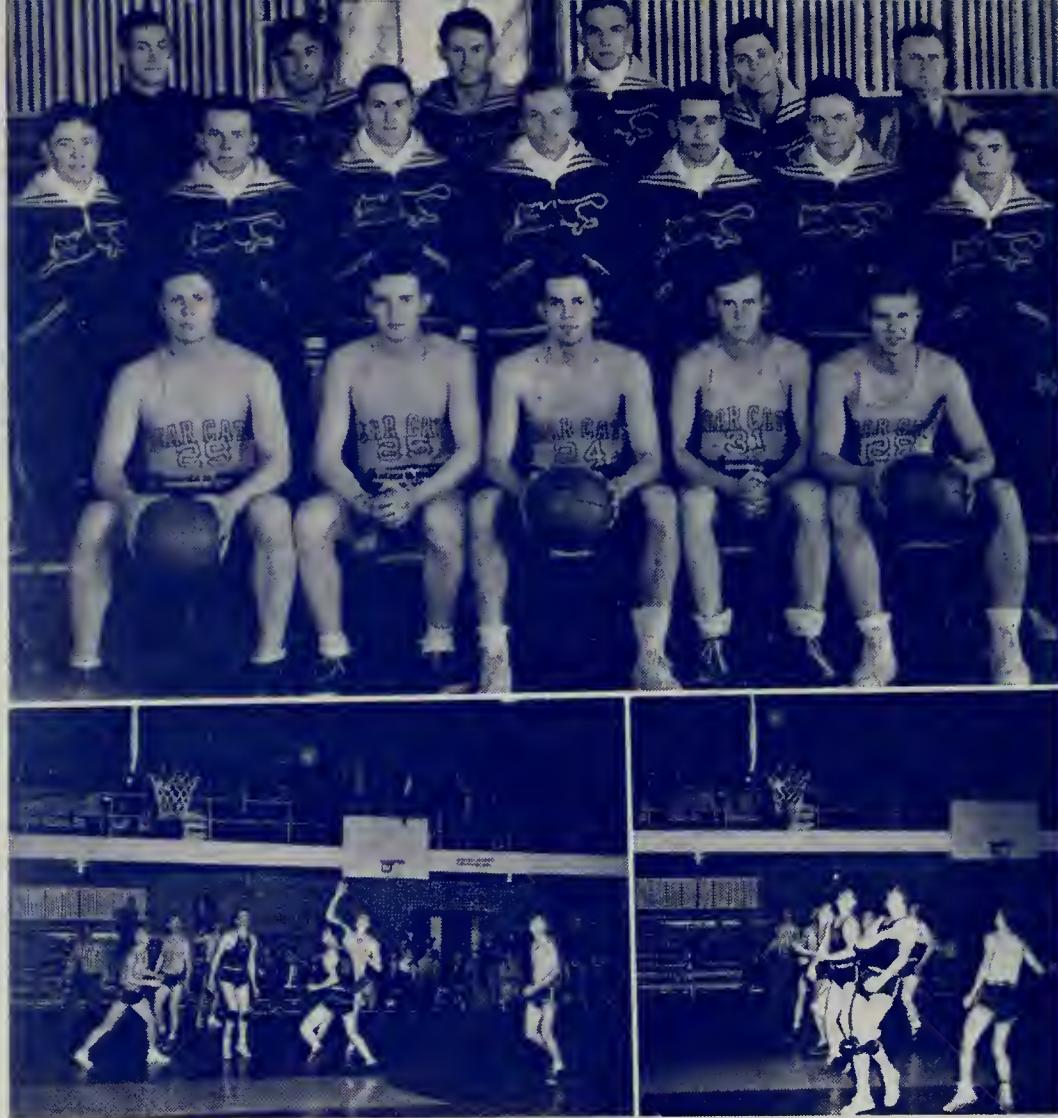

**SECOND ROW:** R. E. Greene, W. A. Speagh, J. D. Kempkes, W. T. Warren, P. Pierson, A. Benedetti, D. Dolphin, M. Thomas, B. Steck.

**THIRD ROW:** R. Fick, J. Trump, J. C. Williams, H. Clemmenson, L. Bland, L. Guter, S. Nelson, L. A. Hamre, J. Dieterich.

**BACK ROW:** Coach Milner, G. I. Luymes, K. Parsons, E. L. Reardon, Chief Fuller, V. Weidmaier, F. W. Trites, D. Norland, Lt. Faggetti.

Getting the Bearcats on their home field, October 16, the Bobcats settled for a 0-0 tie. With both teams depleted by Uncle Sam's transfers, the Rosecrans Flyers met the Bearcats again, but on the Bearcat's home field, and suffered a 19-0 defeat. Journeying down to Warrensburg to close the season, November 20, Maryville met the Mules and returned home the victor. Twice, "Pinky" Pierson plunged over the line in the last quarter, to bring the score up to 20-13.

Thanks to the spirit of the fighting Navy which carried over into the spirit of fighting Bearcats, the Green and White finished another successful season.

**FIRST ROW:** J. Kempkes, B. Roark, B. Moore, J. Borg, J. Brown.

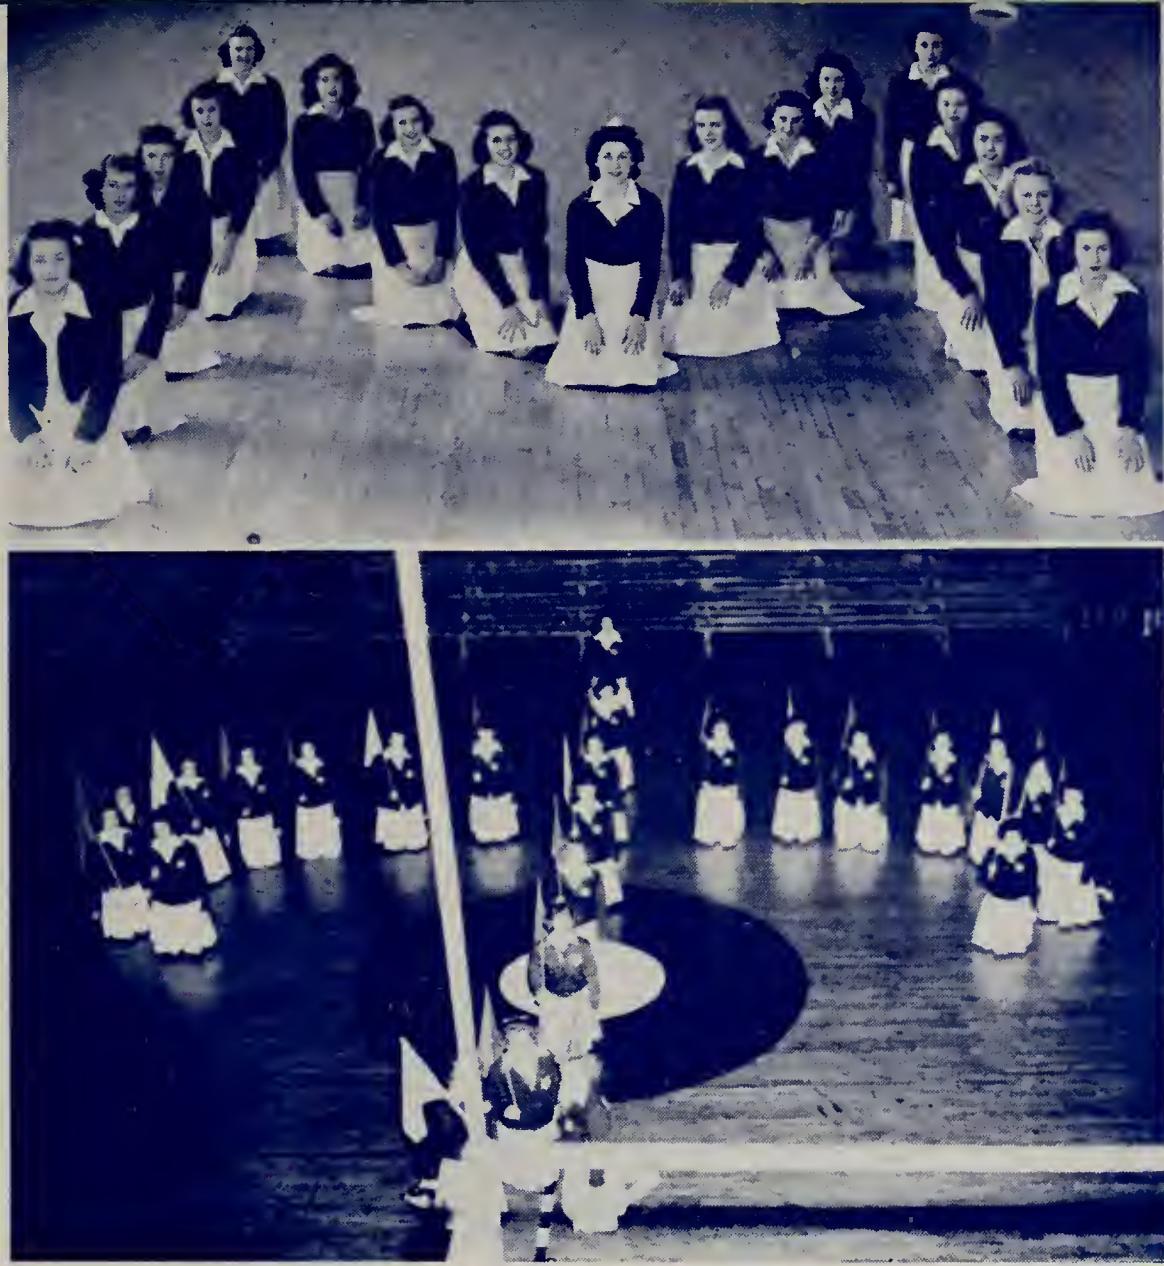

**SECOND ROW:** D. Barber, Jim Corken, D. Foster, W. Hopp, K. Lepley, Jerry Corken, B. Steck.

**THIRD ROW:** Chief Fuller, L. Guitter, R. Hansen, G. Coleman, A. Benedetti, Coach Milner.

## BASKETBALL

The Bearcats Cage team romped through the season with erratic scoring. With no lettermen, except Jim Corken, late in the season the whole squad saw action in almost every contest. Navy lads, Borg, Moore, Foster, and Brown sparked the team for many a fast game.

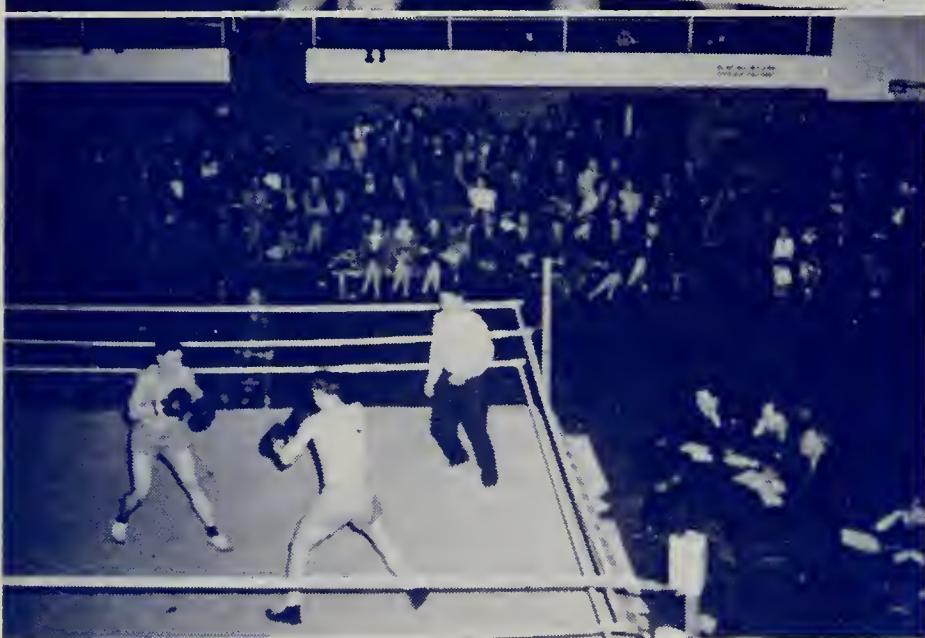

Starting the season December 9, at Hutchinson, Kan., against the Naval Flyers, Maryville lost 43-23. Stopping at Parkville on the homeward journey, the Bearcats lost that bout 20-17. On the home court, December 17, the Bearcats bowed to the Rockhurst Hawks when Drennan, the rugged center for the Hawks, led his team to a 36-30 victory. On December 26, the Green and Whites put up a terrific battle with the Hutchinson Flyers, but again came out losers when the score totaled 32-27. The exchange shots of Borg

and Spurlock of the opposing team kept the score in a deadlock for the last seven minutes of play. January 7, the Bearcats revenged the former defeat at the hands of Parkville by trouncing them 43-23. Then on January 18, the Maryville Cagers defeated the Hawks of Rockhurst at the Mason-Holpin Court in Kansas City by a close tally of 33-31. Keeping up their winning streak, on January 20, Jerry Borg made a push shot in the last 15 seconds of play for a 33-31 victory over the Peru Bobcats. Despite Brown's five field goals, the Warrensburg Mules took Maryville for a 43-31 score on January 27, on the Maryville court. On January 31, the Olathe Clippers clipped the Bearcats 40-23. After winning over the Bobcats again 35-20, and losing to the Mules of Warrensburg and the Leavenworth Flyers 64-44 and 51-33, the Bearcats ended their season with a sensational victory over former victors, the Olathe Clippers. Foster, always a steady start, went wild and tossed 13 field goals and 12 free throws for 38 points out of the 58-48 score.

With only five wins out of the 13 contests, the Bearcats had a good season. Every game was a battle in which anything could happen, therefore, the outcome was always a surprise.

## INTRAMURALS

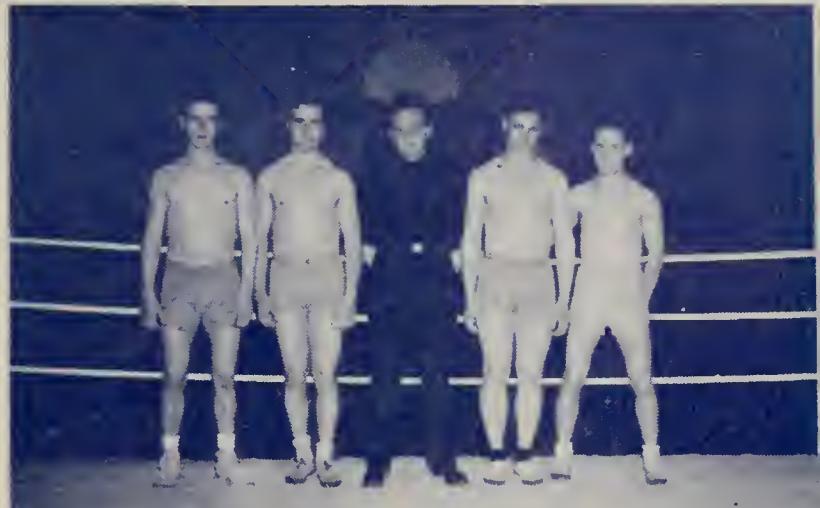

The intramurals this year revolved around the rivalry of the Quad men with the Dormates, and every contest was a bitter battle to the end. It brought back memories of the days when the fraternity rivals Taus and Phi Sigs, used to slug it out. The civilian boys were not left out, however, for during the Basketball season they got up a team and jokingly called themselves the 4-Fers.

The biggest hit of the Intramural season came when the exhibition boxing matches were held. With swollen jaws, bloody noses, cut lips, and black eyes, the contestants came up grinning and held that grin for days afterwards while they continued to look like escapees from a local morgue.

The Baseball season followed in the spring and again the rivalry persisted between the Stinky Quads and the Royal Dormates—or was it rivalry between the Royal Quads and the Stinky Dormates?

## NAVY HAPPY HOUR

The C. P. O.'s and A/S put their heads together and decided to have a fun frolic to show what the Navy could do. The result was the Happy Hour, which, as the name implies, was an hour filled with laughs for everyone.

The V-12ers appreciated the participation of the officers in the program—especially the vocal work of Chief Fuller and the jokes by master-of-ceremonies Chief Shura, and the audience laughed heartily at the typical orders shouted by Chief Croce. It just goes to show that even the C. P. O.'s aren't such bad guys after all!

An evening of fun was drawn to an impressive climax when a hundred sailors rose and marched down the aisles to stand at attention before the flag detail while the "Star Spangled Banner" was sung.

# CAMPUS LIGHTS OF '44

When the last great front is finished  
And the songs of warring die  
And the lights of joyous cities  
Gleam against the peaceful sky,  
Then the minds of you returning  
Having what you struggled for  
Will be lit again in memory  
By Campus Lights of '44.  
Musters in the blue of morning  
Towers grey against the sky  
And the striving for the finish  
Thoughts like these can never die.

And the years will pass more quickly  
And the new songs replace the old  
And the hashmarks shall be added  
To the Navy Blue and Gold.  
But the rustic bridge at evening,  
And the Campus white with snow  
Will be etched upon your memory  
No matter where you go.  
All these things you will remember  
Milestones in a path you wore  
To your goal. Lit by the memory  
Of Campus Lights of '44.

—Mrs. D. C. Shura.

## CAMPUS LIGHTS OF '44

Gay costumes, glittering lights, gorgeous girls and giddy gob, and music sweet and jivey to the strains of the Campus Lights orchestra, made up the delightful musical revue—Campus Lights of '44.

This musical extravaganza, presented by more than one hundred students, under the direction of Yeoman Jack Budnick, comprised a variety of talent ranging from melodrama to the latest in tunes.

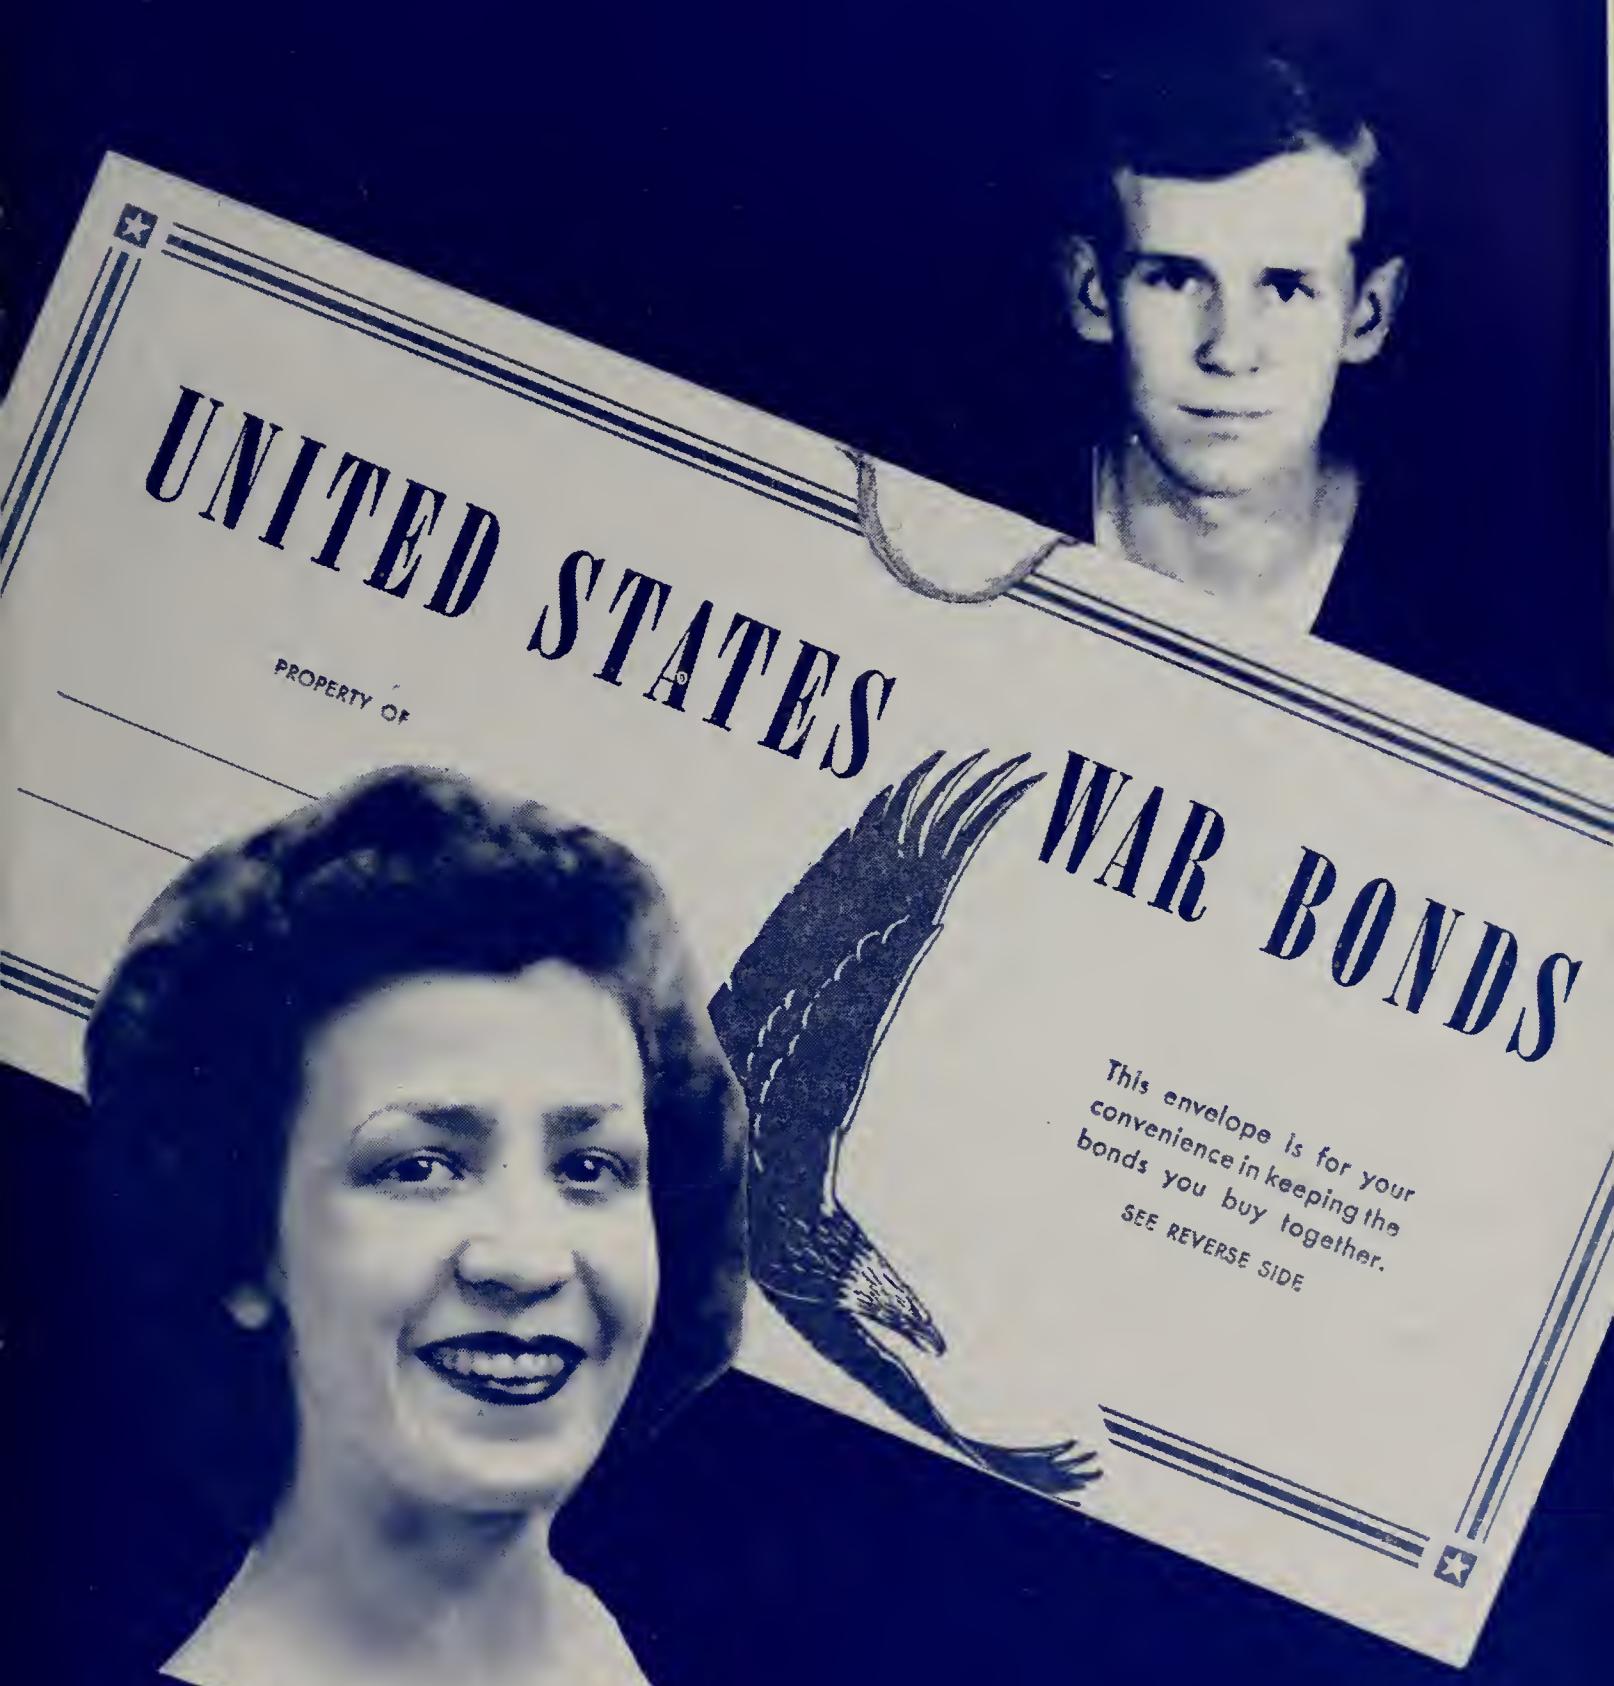

## BOND DRIVE

In conjunction with the nation-wide war bond drive, M. S. T. C. held theirs under the motto of "Buy a war stamp or bond and help select the Bond King and Queen," and \$4,500 in bonds and stamps were sold.

Climaxing the drive, the Navy Ball was held at which Lieutenant Brown crowned Jerold Borg and Thelma Shively Bond King and Queen.

This envelope is for your  
convenience in keeping the  
bonds you buy together.

## NAVY BALL

"Welcome aboard the S. S. Gymnasium!" greeted the officer in charge. We walked up the gangplank, saluted the flag and found ourselves aboard a dream ship—blue sky overhead, and ocean waves around us, dancing to a Navy orchestra. It was a dream in real life. For doing things in the novel naval way this dance was the crowning example. For the first time we danced on the formerly touch-me-not-with-street-shoes gymnasium floor . . . for the first time we could actually purchase cold drinks on the second floor of the gym building . . . and certainly for the first time we imported a V-12 band from the neighboring Teachers College, Warrensburg.

Girl-friends from the old home-towns were imported, taxi company 502 had a very busy night, and an unheard-of amount of money was spent on corsages. A gala occasion for gay gobs, and glamorous gals. "Nuff sed!"

The Library, former sanctum sanctorum of study (no remarks!), has now become Naval Headquarters. The lower floor where the reserved books were kept now is full of books on Naval Reservists. There is much standing at attention, standing on the "carpet," and standing in line for various things . . . The beautifully equipped Horace Mann School, too, is the place where sailors see films on "The Navy Way" . . . Sandwiched between these two buildings are two chiefs—and, what is it chiefs usually have around—Squaws??? Pardon us! . . . Upper right-handedly we see what potential naval officers should not look like . . . And didst know that petunias grew, and flourished in the urns in front of transformed Residence Hall in spite of the change to he-man residents?
